

The White Oak Bird Town Committee Presents

Birds of Prey Encounter

**Join us Saturday, September 12, at 10:00 AM
at the White Oak Park pavilion.**

Meet Audubon of Western Pennsylvania's ambassador birds of prey—live raptors that cannot be released into the wild who serve as living representatives of their species.

Encounter these magnificent birds up close
and gain a new appreciation for their role
in western Pennsylvania ecosystems.

SUPPORT

We provide support to municipalities and their residents to assist in transforming landscapes to sustainable and life-supporting habitats for everyone.

INSPIRE

We inspire community-based actions that create a culture of conservation.

PROMOTE

We promote environmental awareness through engagement, education, birding activities and community involvement.
